#### WELCOME

We are extremely happy to welcome you to our preschool family! You and your child will be pleased that you have chosen La Casa de Cristo Christian Preschool. We are the preschool with a difference.

The difference is evident in our entire staff of dedicated, professional and loving teachers. We have chosen this profession because we truly enjoy children and nurturing their development in all areas: socially, emotionally, cognitively, physically and above all, spiritually.

The difference is evident in our developmental, play based program. It is our philosophy and goal to meet the needs of each child by providing a learning environment rich with age appropriate materials and activities.

The difference is evident when you observe the staff, the students and their families interacting. There is a mutual love and respect present.
